Re: Berry's Creek Study Area – Requests for Information

Dear Mr. Monroe:

This firm represents US Printing Ink ("USPI") regarding the above-referenced matter.

I write to confirm that, per our conversation on October 31, 2002, you have granted USPI an extension of thirty days within which it may respond to the Request for Information received by the company on October 25, 2002. With the current extension, the response will be due on December 24, 2002. Due to the Christmas holiday, we respectfully request that USPI's response be due on December 27, 2002. Unless I hear from you otherwise, I will presume that this schedule is acceptable.

Additionally, at your earliest convenience, kindly provide me with any and all documents that have formed the basis of EPA's issuance of the Request for Information to USPI.

Thank you for your courtesies.

Sincerely yours,

Ingrid D. Johnson
